

BUILDING & CONSTRUCTION PATHWAY - TRADES

52893WA Certificate II in Building and Construction (Pathway - Trades)

About this course

This course will provide you with the practical skills and knowledge required to work in the building and construction industry. You will learn a broad range of skills in general construction to help you decide which area of building and construction you wish to follow.

Successful completion over the two years will provide you with a Certificate II qualification and a Statement of Academic Record that can be credited towards a pathway in an apprenticeship program. You will need to be employed and registered as an apprentice before you can commence an apprenticeship.

Pathways

- CPC33020 Certificate III in Bricklaying/Blocklaying
- CPC30220 Certificate III in Carpentry
- CPC31320 Certificate III in Wall and Floor Tiling
- CPC31220 Certificate III in Wall and Ceiling Lining
- CPC50220 Diploma of Building and Construction (Building) [Builder's Registration]

Location

North Metropolitan TAFE Balga campus | 18 Loxwood Road, Balga WA 6061

North Metropolitan TAFE's Balga campus is one of Western Australia's major training centres for the building and construction industries.

Our workshops are purpose built and, training with advanced equipment will give you the up-to-date skills and knowledge you need to succeed. Our lecturers are experienced and maintain close links with building and construction organizations so that training is industry relevant and opportunities for student involvement in real-life projects are available.
