

HORTICULTURE

AHC20416 Certificate II in Horticulture

About this course

Working in the horticulture industry is for people who would love to work in a practical outdoor environment. Whilst studying this qualification, you'll develop pre-trade skills and knowledge across a broad range of industry related subjects.

This certificate can lead to an apprenticeship/traineeship or other supervised roles within the horticultural industry, including general hand, nursery assistant, environmental field operator, grounds-person and bushland regenerator.

Successful completion of this qualification provides you with guaranteed entry into AHC30716 Certificate III in Horticulture.

Pathways

AHC30716 Certificate III in Horticulture
AHC40416 Certificate IV in Horticulture
AHC50416 Diploma of Horticulture

Location

North Metropolitan TAFE – Joondalup campus | 35 Kendrew Crescent, Joondalup WA 6027

Our Joondalup campus enjoys a tranquil lakeside location, set among the birds, kangaroos and colourful native flora. We are also co-located with ECU, the WA Police Academy and the City of Joondalup in the Joondalup Innovation Hub. Only a short walk from Joondalup's central business and shopping district, with convenient access to Joondalup bus and train station, connecting you to the city in less than 25 minutes.

Entry requirements

The Horticulture course involves physical labour and students will be required to work outdoor and demonstrate a reasonable level of fitness and mobility.

Day & time

This course is 37 weeks in duration and covers a total of 15 units, run on Tuesdays 8:30am to 3pm

Assessment procedures

A portion of the assessment will be via practical demonstration/observation and is supported with assignments and knowledge-based assessments.

Due dates

Due dates for activities, assessments and assignments will be advised by the lecturers.
