

CHC30121 CERTIFICATE III EARLY CHILDHOOD EDUCATION and CARE

RTO CODE: 50354

What is the Certificate III Early Childhood Education and Care?

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standards. They support the implementation of an approved learning framework, and support children’s wellbeing, learning and development.

Pre Requisites: None

Pathways: Diploma Early Childhood Education and Care or any other Certificate IV in the Community Services training package.

Childhood educators work in long day care centres, family day care, pre-schools or kindergartens.

To achieve this qualification a total of at least 160 hours of work must be completed in a regulated children’s education and care service.

To assist students balance work, family and other commitments all classes are synchronised with the Western Australian public school terms and holidays.

Classes are scheduled during holiday periods, to ensure that full support and assistance is available if required.

PAST STUDENT
JACKY

Through studying at FEC I was able to pursue my dream of working with children. Since leaving I have used my Cert III in Early Childhood for not only schoolbased learning but early years childcare and international nannying in the UK as well. FEC gave me the confidence and skills to manage a busy work day and the confidence to lead and succeed in my industry.

General Notes: All students (or the school) must supply their Unique Student Identifier (USI). Students are asked to bring their own device to ensure security of their work and log into the Learning Management System.
