

SIS40221 Certificate IV in Fitness

Our Personal Trainer course offers interactive, fun coursework and the latest fitness know-how, developed and delivered by industry leaders and expert Coaches. This program covers all the fitness fundamentals plus much more, including nutritional guidance, anatomy, physiology, how to prescribe exercise, as well as training principles and solutions for a range of groups and special populations such as adults, adolescents, older adults, amateur athletes and people with body composition and endurance based goals.

Business will also be a key focus where you will learn how to set up and prepare for your small business and learn essential sales and marketing skills necessary to acquire clients. The course will also teach you how to select and use technology for sport, fitness and recreational work, plus how to motivate to influence exercise behaviour positively.

Students who successfully complete this qualification can work in the following occupations:

- Personal Trainer
- Outdoor Trainer
- Personal Training Manager

Study Mode: Blended (Face to face at Diamond fitness & online study)

Duration: School Academic Year
– attendance 1 day per week during school term

Why choose Certificate IV in Fitness?

- Become a qualified Personal Trainer with the most recognised fitness qualification in the industry
- Interactive, fun coursework developed and delivered by industry-leading Coaches
- Tailored to what employers are looking for
- Access the Diamond Fitness facility six days a week

Jumpstart your career in the fitness industry!
