

PLUMBING (PRE-APPRENTICESHIP PATHWAY)

52887WA Certificate II in Plumbing (Plumbing Pre-Apprenticeship)

About this course

This course will provide you with the practical skills and knowledge required for a career in the Plumbing and Servicing industry. You will learn skills in basic plumbing, how to weld using oxy-acetylene and how to cut and join sheet metal. As part of this course you will undertake a supervised work placement where you will be able to apply the skills and knowledge you have learned.

Successful completion over the two years will provide you with a Certificate II qualification and a Statement of Academic Record which will be credited toward a pathway in an apprenticeship training program. You will need to be employed and registered as an apprentice before you can commence your apprenticeship training program.

Pathways

CPC32420 Certificate III in Plumbing

CPC32620 Certificate III in Roof Plumbing

Location

North Metropolitan TAFE - Balga campus | 18 Loxwood Road, Balga WA 6061

North Metropolitan TAFE's Balga campus is one of Western Australia's major training centre's for the building and construction industries.

Our workshops are purpose built and, training with advanced equipment will give you the up-to-date skills and knowledge you need to succeed. Our lecturers are experienced and maintain close links with building and construction organisations so that training is industry relevant and opportunities for student involvement in real-life projects are available.
