Course	Description	Career Opportunities
Certificate III in Animal Care ACM30122 (Complete 3 terms, starting 2 February 2027) *Health Science Hub Perth* *RTO Code: 52806* *Additional costs - $110 Excursions plus purchase of uniform C Grade for English, Maths and Science, plus OLNA*	Students develop skills in animal handling, behaviour, health and welfare. Study includes detailed theory and practical expectations. Excursions and incursions form a significant part of assessment, so consistent weekly attendance is essential.	Build essential skills in workplace safety, infection control and team communication. Learn to promote positive wellbeing in animal care settings while implementing environmentally sustainable practices.
Certificate II in Automotive Vocational Preparation AUR20720 (Complete 3 terms) *MTA WA Training Inc* *RTO Code: 0627*	This qualification will introduce you to the practical skills and knowledge used in the automotive trades. You will learn a broad range of skills to help you decide your automotive pathway.	Successful completion of this qualification provides you with the opportunity to enter a pre apprenticeship or an apprenticeship to become an automotive light or heavy vehicle mechanic or an automotive electrician.
Certificate III & IV in Business BSB30120 BSB40120 (Cert III Complete 3 terms) (Cert IV Complete 4 terms start 13 October 2026, Year 12 only) *AWA Training, Joondalup* *RTO Code: 52946*	These qualifications reflect the varied roles of individuals across different industry sectors. Students will learn to apply a broad range of competencies using some discretion, judgment and relevant theoretical knowledge.	Completing these qualifications will provide you with skills and knowledge to undertake a range of administrative roles, including: Business Administration, record keeping, marketing, advertising, purchasing, small business management, administrator, project officer, accounts clerk, customer service advisor etc.
Certificate III & IV in Community Services CHC32015 CHC42021 (Cert III Complete 3 terms) (Cert IV Complete 3 terms, Year 12 only) *Fremantle Education Centre Fremantle* *RTO Code: 50354*	This qualification applies to community work delivered through a broad range of services, which provide support to individuals and groups. This level is appropriate for support workers and client contact officers.	Workers at this level may have direct contact with clients, identifying and presenting needs and referral to appropriate services and support.
Certificate II in Building and Construction (Pathway - Carpentry) 52893WA (Complete 2 years) Year 10 students may apply *North Metropolitan TAFE Balga* *RTO Code: 52786* *Additional costs - $100 digital resources*	You will learn to use hand and power tools; construct wall frames; install flooring; interpret plans; measure and calculate the right amount of materials for the job; levelling operations; work with scaffolding safely at heights; and workplace health and safety.	In addition to attending classes you will be required to undertake 110 hours of work experience over two years. Future pathways can include: • Apprentice Carpenter • Carpenter • Building Supervisor
Certificate III in Early Childhood Education and Care CHC30125 (Complete 3 terms) *Fremantle Education Centre Fremantle* *RTO Code: 50354*	This qualification reflects the role of workers in a range of early childhood education settings. You will learn how to interact and foster the development of children while working within legal requirements and ensuring children's health and safety in a supportive environment.	On completion of this qualification in Year 11, students can articulate into Cert IV School Based Education & Support, Business or Community Services. Students will need to complete 160 hrs of work experience during school holidays and exam breaks, in a registered childcare centre.
Certificate II Electrotechnology UEE22025 (Complete 2 Years) *College of Electrical Training Joondalup* *RTO Code: 2349* *A Readiness Assessment will be required before entry into this course and will determine the participants.* *Additional Costs $362.70 resources*	This training program will provide you with the foundation practical skills and theory knowledge required in electrical installation and servicing. You will learn a broad range of skills to help you decide if you wish to follow the electrical pathway. You will learn skills in basic electrical wiring and terminations, electrical theory, hand and power tools and using electrical diagrams.	Successful completion of this course over the two years will be credited towards a pathway in an apprenticeship program or to other trade areas such as data communications, security, electronic servicing, etc. A total of 150 hours of work placement must be completed over the two years.
Certificate III Events SIT30522 (Complete 6 terms) *North Metropolitan TAFE Joondalup Kendrew Campus* *RTO Code: 52786* *Additional costs: $40 uniform*	You will gain fundamental knowledge and practical skills to help get your foot in the door of this exciting industry that can lead you to so many different places. Your experiences here will have you visiting real industry locations as well as participating in a range of events, planning your own event, creating displays, coordinating ticketing, running registrations and using social media for promotion and marketing.	This qualification provides you with the opportunity to become an assistant to meetings, events conference, exhibition, functions organiser or coordinator. Work experience is required during the course at a minimum of 2 events (weekends), such as City to Surf, Run for a Reason, Joondalup Festival.
Certificate III in Fitness SIS30321 (Complete 3 terms) *Sero Institute @ Diamond Fitness Osborne Park* *RTO Code: 32303* *Induction to be held in November 2026*	Delivered in the Diamond Fitness high-performance gym, this course will give you world class Fitness Industry skills. You will implement the latest health, fitness, and training principles into your programs, as well as learn nutritional information to strengthen your ability when conducting fitness tests and appraisals with your clients.	This course prepares you for the following potential career opportunities fitness coach, gym instructor, group exercise instructor and fitness manager.

Course	Description	Career Opportunities
Certificate IV in Fitness SIS40221 (Complete 4 terms) starting on 27 October 2026 Prerequisite Cert III Fitness ***Sero Institute @ Diamond Fitness Osborne Park*** ***RTO Code: 32303***	This qualification reflects the role of personal trainers who develop, instruct and evaluate personalised exercise programs for generally healthy and low risk clients, to achieve specific fitness goals. They use well-developed communication and collaboration skills to interact with clients and health professionals to improve client fitness outcomes.	This qualification provides a pathway to work as an employed or self-employed personal trainer in settings such as fitness facilities, gyms, leisure and community centres, client workplaces and homes, and outdoor locations. In some employment contexts, personal trainers may be involved in team leadership or supervisory activities.
Certificate III in Health Services Assistance HLT33115 (Complete 3 terms) ***Health Science HUB Perth*** ***RTO Code: 52806*** *This course will start on 2 February 2027* *Additional costs - $165 medical kit and uniform purchase*	This course is suitable for people who are naturally caring, wishing to pursue a career in the practical health care environment with direct patient contact or a pathway to further studies within health. It prepares students for health care and nursing with skills in medical terminology, anatomy and physiology, infection control, health care communication, medical observations, basic emergency response, movement of patients and WHS.	The unique hospital setting can include careers as an admissions clerk, ward clerk, ward assistant, patient care assistant, patient services attendance, orderly, nursing support worker. Community work in disability / aging or pathways in to the health industry.
Certificate IV in Preparation for Health & Nursing Studies 52895WA (Complete 3 terms, Year 12 only) ***Health Science HUB, Murdoch Uni*** ***RTO Code: 52806*** *This course will start on 2 February 2027* *Additional costs - uniform purchase*	This training program will provide you with foundational knowledge in how the human body works and how disease can prevent normal functioning, as well as the basics of medication management. You will also learn how to research, reference, and report at University level so that you will have an advantage moving into studying a bachelor degree.	Successful completion of this course will provide you with a pathway into university as completion of a Certificate IV satisfies the entry requirement (the equivalent of a 70 ATAR score).
Certificate II in Plumbing (Plumbing Pre-Apprenticeship) 52887WA (Complete 1 year) Plus 150 hours work placement Year 10 students may apply ***North Metropolitan TAFE Balga*** ***RTO Code: 52786*** *$30 gloves*	This course will provide you with the practical skills and knowledge required for a career in the plumbing and servicing industry. You will learn skills in basic plumbing, how to weld using oxy-acetylene and how to cut and join sheet metal.	In addition to attending classes you will be required to undertake 150 hours of work placement over two years with a registered plumber (Licenced Contractor). This will give you the opportunity to be involved in the trade and see exactly what a plumber does on a daily basis. Hep A & B immunisations are recommended.
Certificate II in Resources and Infrastructure Work Preparation RII20120 (Complete 1 Semester) Year 10 students may apply ***Breight Education Rivervale*** ***RTO Code: 45006*** *$40 uniform and visit costs*	This course helps students build the core skills and confidence needed to take the first steps into the resources and construction sectors. It is delivered through a mix of hands-on and face-to-face learning at our modern, purpose-built training facility in Rivervale. The course focuses on developing practical knowledge and the ability to carry out everyday tasks safely and effectively.	This is a work ready program. Successful completion of the course provides a career pathway into the resources and construction sector. Included in the course are Working in Confined Spaces, Working at Heights and a White Card, which means you can start work immediately. Completion of this course can lead to: Trades Assistant, Resource / Mining Worker, Civil and Construction Labourer, Apprenticeship
Certificate III & IV in School Based Education Support CHC30221 CHC40225 (Cert III Complete 3 terms) Cert IV Complete 4 terms start Start 13 October 2026, Year 12 only ***Fremantle Education Centre Fremantle*** ***RTO Code: 50354***	These qualifications reflect the role of workers in a range of education settings who provide assistance and support to teachers and students under broad supervision.	Examples of employment opportunities: early childhood educator, family day care educator, education assistant. 100 hours of workplace learning will be conducted during exam breaks and Term 3, in a classroom environment.
Certificate II Retail Cosmetics SHB20121 (Complete 4 Terms) Year 10 students may apply ***North Metropolitan TAFE Joondalup McLarty Campus*** ***RTO Code: 52786*** *$370 makeup brush set, compulsory uniform and additional material*	This course will teach you how to create the right look for day, evening and special occasions as well as popular techniques such as smokey eye, classic eye and camouflage. You will also learn an introduction to retail operations and how to promote a range of beauty products.	Employment roles could include retail cosmetics assistant, customer service and retail sales assistant. Pathways can include salon assistant and further studies in the beauty industry.
Certificate II Tourism SIT20125 (Complete 3 terms) Year 10 students may apply ***North Metropolitan TAFE Northbridge*** ***RTO Code: 52786*** *Additional costs: $40 uniform* *$200 excursion costs* *$100 incidentals*	Completion of this qualification will help you gain essential industry skills in visitor information, accommodation reception services, and customer service, while building confidence through public speaking and tour guiding foundations.	The tourism industry is broad and offers career opportunities in areas such as travel agencies, visitor information centres, tour guiding, attractions, and accommodation services. Through this qualification, you'll begin to understand industry expectations, build confidence in communication and service delivery, and explore different tourism environments.
